Resources for extension and remediation on weekly topics are included in weekly emails and posted on teacher websites. This will be in lieu of daily homework. For more suggestions on how to practice skills at home, please reach out to the teacher.

### **Communication**

Communication regarding student progress will be ongoing and frequent. Information will be shared amongst the teacher, school, and parent through notes, Tuesday Communicators, emails, and phone calls. Progress reports and report cards are sent home four times a year. Parent-teacher conferences are scheduled twice a year, but appointments can be made at any time. Teacher websites are updated often and class emails are sent out weekly.
