Scholastic, Choices Magazine

Realityworks materials and web based training program

EverFi.com, Other magazines and articles, as selected.

ABSENT/EXTRA HELP

If you are absent, you are responsible for getting your makeup work. In the classroom there is a What Did I Miss? Crate where you can find a slip that a classmate filled out about your absence. It is also helpful to check with a classmate and your teacher, of course. Ms. Daniel is often available to stay after school—just ask. There are also sometimes other arrangements that can be made.

Please refer to your student handbook for attendance policies, tardy policies, & school rules. These will be followed in accordance with school policies. Let us know if you have any questions or concerns.
