Grading

Gradebooks are updated regularly and can be viewed using the Parent Portal linked on the MCPS website. All graded work is weighted with the following scale: tests 45%, quizzes 35%, classwork 20%. Please contact the technology department if you have any issues accessing Parent Portal. The MCPS grading scale is as follows:

A: Outstanding	90 – 100
B: Above Average	89 – 80
C: Average	79 – 70
D: Below Average	69 – 65
F: Failing	64 – 0

Homework

Weekly homework will be required for both math and reading. A sheet will come home each Monday and is expected to be returned the following

Monday. The reading homework consists of a reading log and word practice. The math homework consists of ten spiral review and two bonus questions. For more suggestions on how to practice skills at home or for extra enrichment, please reach out to the teacher.

Communication

Communication regarding student progress will be ongoing and frequent. Information will be shared amongst the teacher, school, and parent through notes, Tuesday Communicators, emails, and phone calls. Progress reports and report cards are sent home four times a year. Parent-teacher conferences are scheduled twice a year, but appointments can be made at any time. Class emails are sent out weekly.

Schedule

Please see individual teacher schedules for daily specials rotation. Students participate in STEAM, Music, Library, P.E., and Art. This rotation varies by day.

More information regarding third-grade standards, instruction, and testing can be viewed on the VDOE's website linked here: <https://doe.virginia.gov/>
