

**FIRST DOSE CLINIC AT MADISON FIREHOUSE
AND CULPEPER MIDDLE SCHOOL**

Wednesday, May 19th at Madison County Firehouse and Culpeper Middle School

You are receiving this email based on the availability of FREE vaccine appointments on Wednesday afternoon May 19th. Please use the direct link below to register.

We are pleased to offer you an appointment to receive the Pfizer vaccine for anyone 12 years of age and older. This two-dose clinic will be held at both Culpeper Middle School and Madison County Firehouse. These clinics will fill on a first-come, first-served basis. Click on the links below to complete the appointment process at your preferred time and location. You MUST have an appointment. Please share with family and friends!

Please note that minors will need a parent or guardian present at their appointment.
