MCPS Bus Loading and Unloading Schedule 2019-2020

Beginning this school year, there will be a *new bus procedure* which will eliminate the need for the bus shuttle system. Students will be dropped off at their respective schools in waves according to the above chart. Please be sure to check MCPS website and/or the Madison Eagle for bus schedule information and times regarding your student. Please note that the bus pick-up and drop off times have changed for most routes from previous years.
