Family Life Education

William Wetsel Middle School

Principal: Mr. Donald Dodson

As part of the general education curriculum Madison County Public Schools will be providing Family Life Education instruction to all students. This instruction aims to promote the physical and emotional wellness of students.

Goals for the FLE include maintaining clear communication between school staff and parents. You can support FLE by discussing related information with your child. FLE objectives for each grade level are outlined below.

Family Life Education Topics covered in

Sixth Grade include:

- The Importance of Families
- Puberty
- An Introduction to Sexually Transmitted Diseases
- Media Influence
- Pressures and Boundaries
- Recognizing Abuse

Family Life Education Topics covered in

Seventh Grade include:

- Perspectives: What does sex mean to you?
- Benefits of Marriage
- Pregnancy and Fetal Development
- Sexually Transmitted Diseases: Methods of Transmission
- Media Influences
- Pornography and Addictive Images

Family Life Education Topics covered in

Eighth Grade include:

- Goals, Staying on Track
