**Call to Order**                    6:00 pm by SEAC chair, Betsey Soulsby  
Welcome and self-introductions were made  
January 9, 2019 minutes approved as written

**Presentation**                Anna Graham, Superintendent Madison County Public Schools (power point attached)

**Business**                    A flyer was developed for this SEAC meeting and sent via backpacks and special education buses. An attendee stated she learned of the meeting by the driver delivered flyer

The draft survey was distributed, discussed, and approved.  
Questions asked and clarification given on post high and I'm Determined.  
Will use the draft logo at this point, until student art could replace it.  
Different color paper for each school requested with return envelope attached to the flyer for return to SEAC via Ms Alexander.  
USPS mailing was discussed, sending via backpack was consensus while recognizing the possible desire for anonymity.  
Surveys to be sent Feb. 12 with a preference for return by Feb. 22.

Draft suggestions for changes to SEAC page of school website submitted.

Timing for sending flyers and robo calls was reviewed – Monday prior to Wednesday meeting. The Primary, Elementary, and Middle schools PTOs posted SEAC meeting information (submitted to PTO presidents by Chair).

Next meeting is April 10, 2019. A March meeting was deemed not necessary. Federal Flow Through must be reviewed at April meeting.

Summer opportunities discussed. Marie Dodson of the Boys and Girls Club will be contacted for a presentation at the April meeting.

Topics solicited for report to school board – post high collaboration, increasing parental awareness of SPED resources including Wilson Workforce & Rehab Center, addressing the SPED achievement gap
